**RE: Extras Work**

To Whom It May Concern:

I am currently in between jobs and taking some long service leave. I came across your advertisement for extras work and would like you to consider me an excellent candidate for this work.

Please see attached resume and photos of me. I really look forward to hearing from you, as I am available at present for such work, and as you can see from my resume I have experience in the Film industry.

I look forward to your call 0413423063.

Yours sincerely,
