About Me

I have been a very creative performer since the age of 6 as a musician, and also in minor acting roles, independent short films and film clips. My strengths are character development, interpretation and performance, vocal work, musical performance and composition.

My true passion is developing a character and giving an honest and strong performance.

I am dedicated and committed to improving my abilities through gaining varied and quality acting projects and experiences.

Creative Abilities

Acting.

Jazz drumming and composition.
