Dear Justin

I would like to send my sincere thanks and appreciation, on behalf of myself and everyone on location, for the contribution you made to City Homicide yesterday. As far as location days go; it was a very big one for us and your professionalism, cooperation and the energy you gave during your performance made a huge impression on the cast and crew. The comments over breakfast this morning were extremely positive and everyone is thrilled with how yesterday's rushes look.

It's not often feedback is provided to background talent, but it is important you are acknowledged for your work especially when it has been appreciated by so many.

I will be sure to let Clea know when this episode goes to air so you can see yourself in action!

Kind Regards
Lisa
