## **BACKGROUND**

I have a Diploma in Media Arts and Production, acquired in 1998. I have written and produced a short film and documentary of my own and have collaborated and contributed in many other independent projects. My radio and film production; presentation and behind the scenes experience has given me a great love and understanding of this industry. I primarily work as a freelance photographer and enjoy my work through Ripley's in Film and Television.

## **SKILLS / STRENGTHS / INTERESTS**
